Welcome to Bhopal's timeless culinary journey

Bhopal is known for its Greenery and is also called the City of Lakes. Traditionally ruled by nawabs, the city still resonates with its aura of the yester years. The culture and the tradition have remained the same but the city has also become more modern in its outlook.

Food and its uniqueness are a part of the culture here and keeping up with the tradition has been our endeavor in making this unique menu which is modern and at the same time traditional.

SKY 360* welcomes you to experience the tranquility and also the vibrancy nestled at the top which gives a panoramic view of the city while you enjoy the time of the day with your loved one.
